THANK YOU

March 18-20, 2018

Big Four Building, Stampede Park

/esfscanada

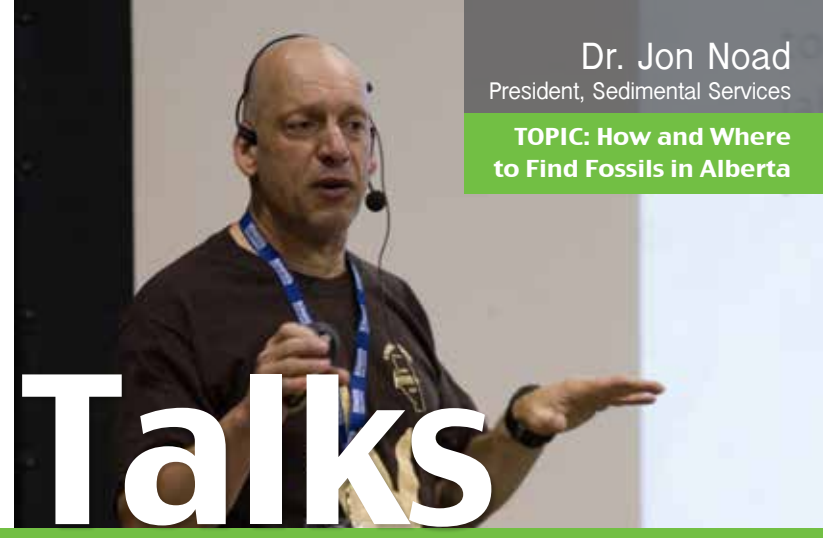
/in/esfscanada

/esfs_canada

HOSTED BY: CSEG Foundation

Dr. Ross Lockwood
PhD Condensed Matter Physics,
Course Developer

TOPIC: Everyday Astronaut



Dr. Jon Noad
President, Sedimental Services

TOPIC: How and Where to Find Fossils in Alberta

Sunday Talks

TOTAL ATTENDANCE: 2,551

SUNDAY AFTERNOON & MONDAY EVENING: 20 youth groups including Brownies, Girl Guides, Pathfinders, Scouts, and a Chinese youth group attended, bringing 350 children and 72 adult chaperons

MONDAY & TUESDAY: 18 school groups from 16 different schools attended, bringing 1,390 students and 115 teachers/adult chaperons

Organizing Committee:

Brodie Sutherland	ESfS Chair
Glenn Malcolm	ESfS Vice Chair, Travelling Exhibits Chair
Marissa Whittaker	Budget & Finance Chair
Maverick Cue	Budget & Finance Vice Chair
Rochelle Longval	ESfS Fossil Station
Melissa Sawyer	Exhibits Chair
Rebecca Haspel	Exhibits Vice Chair
Jordan Curkan	Exhibits
Laurie Mcghie	Exhibits
Ryan Day	Marketing Chair
Ashlea Parker	Marketing Vice Chair, Travelling Exhibits Vice Chair
Ariana Pumo	Marketing
Mai Swasdichira	Marketing
Michel Nzikou	Marketing
Renu Sahota	Marketing: Social Media
Allison Altenhof	Program Delivery Chair, Door Prizes
Helen Isaac	Program Delivery Vice Chair
Rick Green	Program Delivery: Bag Stuffing
Aliya Kairzhanova	Speakers Chair
Michael Le	Speakers Vice Chair
Julia Davison	Sponsorship Chair
Annette Milbradt	Sponsorship Vice Chair, Marketing
Daniel Calvo Gonzalez	Sponsorship
Marisa Swift-Hill	Sponsorship
Mikhail Yakunin	Sponsorship
Nanna Eliuk	Sponsorship
Sarah Mckillop	Sponsorship
Cory Stephens	Travelling Exhibits, Marketing
Jennifer Welsh	Venue & Logistics Chair, Project Manager
Nikita Fernandes	Venue & Logistics Vice Chair
Jinny Donovan	Volunteers Chair
Doug Hackbarth	Volunteers Vice Chair
Jeff Packard	Volunteers
Phil Harms	Volunteers
Jim Racette	CSEG Foundation Managing Director
Alyssa Middleton	CSEG Foundation Office Support, Exhibits

Event Photographers

Barbara Goulet, Aliya Kairzhanova and Michael Le

THANKS *to our* 82 VOLUNTEERS

FILLING 137 SHIFTS AND 427 HOURS!

Resources and You

Pavilion sponsor and exhibitor

Canadian Natural

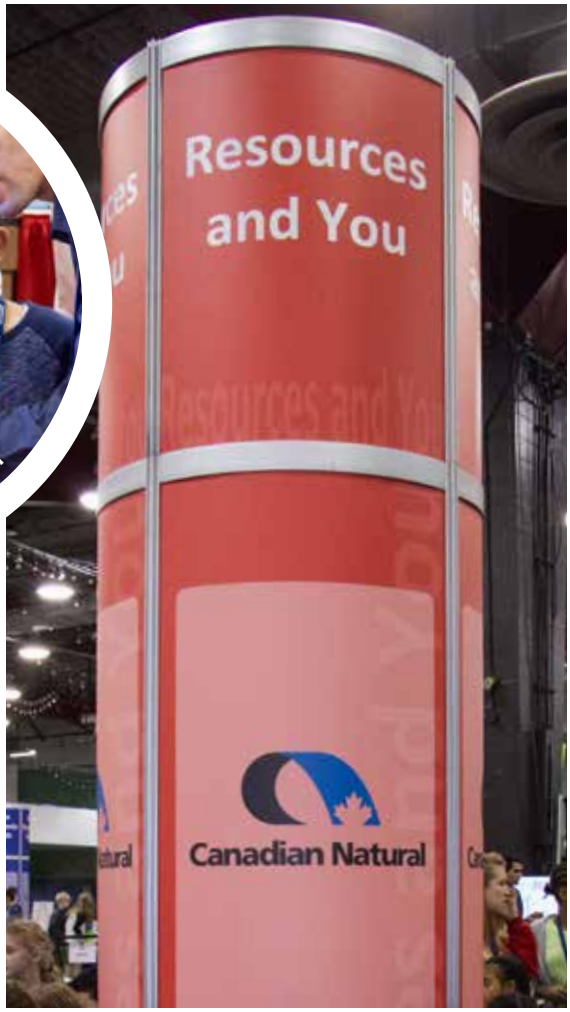
The people were very kind and taught us lots.

Kilah, 13

The exhibits were thoughtful and [they] engaged both the youth and adult members.

Cub Scouts Leader

Energy Production & Transmission **Canadian Geographic Giant Floor Map**



Resources and You

I enjoyed the cool learning experience at all the stations.

Alyson, 12

The [event] engaged our girls and showed them how interesting earth sciences can be.

Girl Guides Leader

Thank you for this wonderful event!

Participant

Yukon Dan Gold Panning

All of the things they taught were astonishing and there was such a variety to learn.

Mattea, 12

Canada Action

CREWES, University of Calgary

I liked the variety of different stations, activities and souvenirs.

Jessamine, 12

Geoscience, University of Calgary

Mining Matters

One Dynamic Earth

It is so important to the younger generations to keep that scientific curiosity alive.

Girl Guides Leader

I learned a lot of new things about our Earth, some facts I [had] never even thought of before.

Alissa, 12

There were plenty of hands-on activities for the students and great takeaways.

Teacher

Canmore Museum & Geoscience Centre

Lafarge

Glenbow Museum

Ocean Networks Canada

All these things were very intriguing.

Pavilion sponsors

APEGA FOUNDATION

Andreas Cordsen

I liked the hands-on activities and the presenters who took the time to teach us about science.

Madeleine, 12

Our Future!

I believe in supporting the education of science to the public.

Volunteer

The show was fun, hands-on and educational. *Cub Scouts Leader*

They break down the information so that it interests us.
