March 12, 2020

The most recent announcement from Alberta's Chief Medical Officer, Dr. Deena Hinshaw, states that any mass gatherings of more than 250 people are to be cancelled immediately. Given this information, we regret to inform you that Earth Science for Society 2020, due to occur March 15th – 17th, has been cancelled.

We would like to thank the countless volunteers, exhibitors, sponsors and visitors who continue to make this event such a huge success. We will continue to monitor the recommendation set out by the health officials and let you know if any changes occur.

Thank you for your understanding and we look forward to exploring Earth Sciences with you all again soon.

Sincerely,

Marissa Whittaker
ESfS 2020 Chair
